

Dear Friend,

We have learned that the water we work with, pump, heat, distribute and treat is sometimes puzzling and misleading. Water-Right, Inc. is offering its three-day seminar to help uncover the mysteries and overcome the misunderstandings of the most important product we furnish to our customers — WATER! The knowledge gained will not only help in your day-to-day business, but also increase your professionalism in the industry.

The days of the seminar are **Tuesday, Wednesday and Thursday, April 18-20, 2017**. We will begin on Tuesday at 4 p.m. and conclude on Thursday at 3 p.m. There is a fee of \$380.00 per person (single occupancy). Included are your accommodations for two evenings at the hotel (Tues/Wed), all meals, and school materials.

This seminar is accredited for continuing educational credits for Master Plumbing licenses in many states, including Wisconsin. If you do need continuing educational credits in your state, please send application to Vicki so she can try to get it approved.

IF YOU WISH TO RESERVE YOUR SPOT, PLEASE CALL Vicki at 1-800-777-1426 or email vicki.vanstraten@water-right.com. You will need to fill out the attached Seminar Sign-Up Sheet, including company name, address, phone number, e-mail address, attendee name(s), and flight information. **Please print clearly.** For those who are flying in, please make arrangements to fly into Appleton International Airport (ATW) before the 4 p.m. start time. Please fax your flight itinerary to Vicki at **920-739-9406** or e-mail Vicki so we can arrange to pick you up at the airport; no rental car is needed! If you wish to fly into Milwaukee (MKE), you will need to rent a car.

Enclosed is the school itinerary and a map (for those driving in) to The Radisson Paper Valley Hotel and Water-Right, Inc. Ramp parking is available and is located one block East of the hotel. Vehicles over 6'10" (trucks with pipe racks will not meet this clearance limit) need special provisions for street parking, so please let us know this on the Seminar Sign-Up Sheet. Please arrive at The Radisson Paper Valley Hotel before 3:30 p.m. on Tuesday, as we do start promptly at 4 p.m.

We are excited to have you as our guest in Appleton to learn about water, testing, and the fundamentals of water treatment. If you have any questions, please feel free to call Vicki at 1-800-777-1426.

Thank you,

A handwritten signature in black ink, appearing to read "Kurt Gruett".

Kurt Gruett, President
Water-Right, Inc.

Appleton School Sign-Up

April 18-20, 2017

- 3 Send payment to Water-Right, Inc. by March 20, 2017 to ensure your hotel and seminar reservation.
