Water-Right Hires Brad Walsh as Regional Sales Manager for Southeast United States

Appleton, Wis. – Water-Right, a leading independent original equipment manufacturer (OEM) in the water treatment industry, announces the hire of Brad Walsh as regional sales manager

Walsh is responsible for the growth and business management of Florida, Georgia, North Carolina, South Carolina, Tennessee, Virginia, and West Virginia.

“While growing up, I spent my summers installing swimming pools, which taught me how water can enhance someone’s quality of life,” Walsh said. “I am looking forward to helping dealers operate their businesses in ways that benefit themselves, their customers, and the industry as a whole.”

Walsh has more than 5 years experience with Pentair working with water treatment OEMs, distributors, and dealers, as well as experience in industrial supply sales. He has also served on the Board of Directors for the Florida Water Quality Association.

Walsh earned his Bachelor of Science degree in Business Administration from the University of Maine. He, his wife, and their three-year-old son currently reside in Harrisonburg, Virginia.
