

Position: **Inside Commercial Sales And Service**  
Location: **Appleton, WI**  
Reports to: **Technical Services**  
Hours: **Full time**  
Website: [www.Water-RightGroup.com](http://www.Water-RightGroup.com)

*If you are seeking a position with a stable and profitable company, where you can be a member of a high energy family oriented team, then Water-Right is the company for you.*

Water Right, Inc. manufactures water treatment products for the industry. Our primary focus is to offer the best solutions for water treatment needs by providing “value-added” products; tools and support programs designed to best assist the customer in growing a successful business.

**Scope of Responsibility:**

This position will assist with the inside sales and service of commercial water treatment equipment that is quoted on behalf of the Water-Right Group and its multiple brands of product. This position will be instrumental in communicating sizing of engineered systems, while performing on-going phone service to prospective customers. Candidate will also be responsible for scheduling orders, working with vendors to secure lead times, products, and determine cost. Work with the Water Right Technical Support team to resolve issues and Water Right production personnel to facilitate orders. This position will work closely with the Water-Right Technical Service department to provide for a smooth transition of information between departments.

**Summary of Qualifications:**

The ideal candidate have an aptitude that includes:

The Industry:

- General knowledge Fleck and Clack 1.5” thru 3” systems and options
- Pump systems
- Commercial scale water treatment
- Specifying system requirements
- Commercial applications and systems

Various Supporting Skills:

- Professional phone and email communication skills
- Technical phone support
- MS office software (Word, Excel, Outlook, etc.)

This position requires minimal travel to attend conferences, training and other outside events. When travel is required, all expenses will be paid by the company. Work with the Water Right Technical Support team to resolve issues and Water-Right production personnel to facilitate orders.

**Benefits**

Water-Right is a solid company that offers a competitive benefits package after 60 days to all full-time employees, such as health and vision insurance, life insurance, 401K, PTO time, HSA account, Flexible Spending Account, and inter-company events and programs. Additional benefits such as bonuses are typically paid at the discretion of management and are based on company performance.
