Water-Right®'s Vice President, Greg Gruett, Receives EWQA President's Award

The award is presented to an individual in the organization recognizing their commitment

Appleton, Wis. – [Water-Right®](#) is proud to announce that Regional Sales Manager and Vice President Greg Gruett received the 2018 President's Award from [Eastern Water Quality Association](#).

The award was presented to Greg on Sept. 20 during the EWQA 2018 Convention and Trade Show in the Poconos, Pennsylvania. The honor is presented by the president of the association every year to the person who has given their time, dedication and outstanding commitment to the association.

Greg Gruett shares his passion for the water industry by leading sales and technical training across the U.S. for all of Water-Right's customers while covering the sales territory of Pennsylvania, New Jersey, Delaware and Maryland. He has been a principal part of Water-Right for over 25 years when he joined the family business.

Greg has also been a member of the EWQA for 25 years. He exclaims that the EWQA is a "fantastic organization for dealer networking and learning best practices."

The EWQA is dedicated to bringing together industry professionals for the exchange of ideas, sharing of information and development of a unified legislative voice. In fulfilling its mission to members, the goal of the association is to help members provide quality water by promoting industry best practices, developing educational programs and advancing business ethics and profitability.
